

### **EXAMINER'S AMENDMENT**

1. A supplemental notice of allowance is issued since an inadvertent typographical error indicated in the claims of 06/13/2011 that the claim 61 is dependent on the cancelled claim 60 instead of the obvious claim 59. The mistake was signaled at the printing of the allowance and sent for correction to the Examiner. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312.

Authorization for this examiner's amendment was given in a telephone interview with Raymond D. Smith on 02/03/2012.

The application has been amended as follows:

In the claims, in claim 61, line 1, after method, please delete "60" and insert:

-- 59 --.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to ELLY-GERALD STOICA whose telephone number is (571)272-9941. The examiner can normally be reached on 9:00-18:30 M-Th and 9:00-18:30 alternate F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jeffrey J. Stucker can be reached on (571) 272-0911. The fax phone

Art Unit: 1647

number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
